

Key points of discussion

Dialogue

Research institutions have to change

Dialogue

- Policy – Research
- Policy – Research – Stakeholders
- How to align the different worlds so that we share goals and move in the same direction?

Research Institutions

- Have to change their self-understanding
 - Outside world comes with questions
 - Inclusion of stakeholders
 - Promote interdisciplinarity

Big challenge and (potentially) stressful

Future

Share goals and problems – co-ownership

– Common programming

- JPI
- EIP etc.

Leadership aspect and governance

- Need to draw operational conclusions-
COM

Form coalitions of the willing!
