

Rikolto – What do we eat tomorrow?

EURAGRI – 24/9/2019

**Yearly operating budget
US\$ 16 million**

**17 countries, 8 offices
163 staff**

**82,000 farmers
in 83 partner organisations**

Global challenges and the (mis)fit with research

WANTED

FOOD
FOR THE
FUTURE

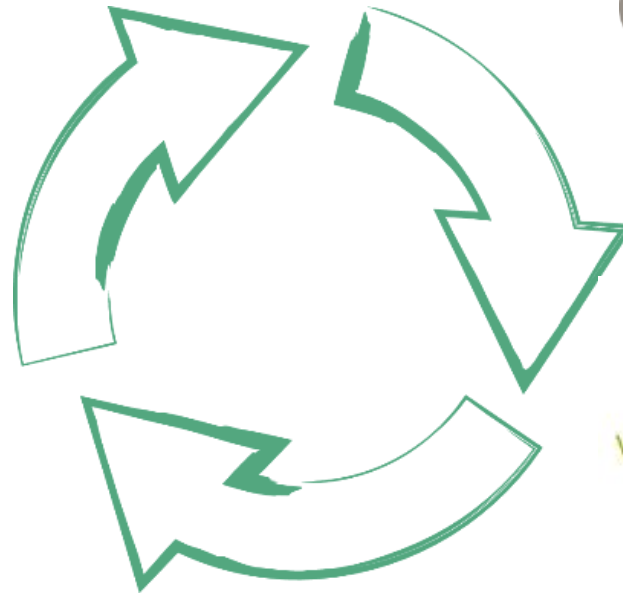

KU LEUVEN

How to feed the 9+ billion?

Partners

Project Objectives

- **fuel the debate** by bringing together people from the business community, governments, consumers and civil-society organisations.
- ‘feed’ the debate from practice by setting up **three sustainable food chains** for tasty and nutritious products from the South that have a **low environmental impact** and, at the same time, offer the farmers **new opportunities**.

Products

Andean grains

Pulses

Seaweed
